PLAN LETTER 658 – JUNE 7, 2001

TO: Members of the Plan

FROM: Ralph Herrmann, Plan Manager

SUBJECT: Commercial Automobile Servicing Carrier Vacancy

The Plan has been notified that, effective as of the close of business on September 30, 2001, Employers Insurance of Wausau is resigning as a servicing carrier for the Wisconsin Automobile Insurance Plan.

The provisions of the Plan provide that if there is a vacancy, the Plan Governing Committee may appoint a new carrier. The new servicing carrier will assume the business currently assigned to the resigning carrier as the policies renew beginning as soon as possible after the Servicing Carrier Agreement is executed. The current servicing carrier fee is 30% of the assigned written premium.

Any insurer interested in becoming a servicing carrier should contact Donna Knepper (414) 479-2604 and request an application. Applicant's will then have until July 9, 2001, to return the completed application to the President of the Bureau. No submissions received after July 9, 2001 will be considered.
