

Plan Letter 747—October 1, 2012

## **2011 ANNUAL REPORT**

This report covers the activities of the Wisconsin Automobile Insurance Plan for calendar year 2011. The Plan, through the Governing Committee, would like to express its appreciation for the support and cooperation from our membership in the performance of our responsibilities.

### **ORGANIZATION**

The Wisconsin Automobile Insurance Plan was established on October 1, 1949 for the purpose of providing automobile insurance to risks unable to secure coverage in the voluntary market.

### **GOVERNING COMMITTEE**

The following member insurance companies, elected in accordance with Plan rules, were serving on the Governing Committee as of December 31, 2011:

#### **PROPERTY CASUALTY INSURERS ASSOCIATION OF AMERICA**

American Family Mutual Insurance Company  
Liberty Mutual Insurance Company

#### **AMERICAN INSURANCE ASSOCIATION**

Hanover Insurance Company  
Travelers Insurance Company

#### **NON-AFFILIATED INSURANCE COMPANIES**

Sentry Insurance, A Mutual Company  
State Farm Insurance Company

#### **AT LARGE (SUBSCRIBING MEMBER) INSURANCE COMPANIES**

Employers Mutual Casualty Company  
General Casualty Company of WI

## **PLAN ACTIVITIES**

A commercial rate review was conducted by AIPSO staff and presented a proposed 12.9% overall rate increase which was approved by the Governing Committee and the Office of the Commissioner of Insurance (OCI) effective January 1, 2011 for new business and March 1, 2011 for renewal business. Newly approved language was introduced into the commercial section of the manual to clarify Hired and Non-Owned Auto with multi-state operations.

The current private passenger rates were review by the Governing Committee and the Committee agreed with the proposal by AIPSO. Recommendations were that no filing be made as the adjustments indicated a zero premium impact.

The Wisconsin Automobile Insurance Plan and The Wisconsin Compensation Rating Bureau participated in a required market conduct exam conducted by The Office of the Commissioner of Insurance. The final report is not yet available.

2009 Wisconsin Act 28 (formerly 2009 Assembly Bill 75) was signed into law by the former Governor, which mandated several changes in limits and coverage in Wisconsin. All changes were completed in 2010. In 2011 the current Governor of Wisconsin signed into law a repeal of most of the changes that were previously made. The only change to remain into law is that automobile insurance is required for all drivers. All manual and form changes were completed

## **WAIP FINANCES—2011**

Total Income received in 2011 amounted to \$170,000, which represents Dues and Assessment income received from AIPSO.

Total expenditures in 2011 were \$172,053, which represents an increase of \$14,308, over the 2010 total expenditures of \$157,745.

Several expenses are shared operating expenses with the Wisconsin Compensation Rating Bureau. A Joint Finance Committee, made up of representatives from both organizations, meet periodically to allocate the percentage of shared expenses to be paid by each organization. Of the \$172,053 in total expenditures for 2011, \$145,074 (84.3%) represents the WAIP's portion of the expenses shared with the Wisconsin Compensation Rating Bureau.
