RE: Plan Letters

The Plan is eliminating the hard copy distribution of all Plan Letters and other pertinent information. Therefore, we are requesting that you complete the "Carrier Contact Information" form on the home page of our Web site www.waip.org. We will be updating our current records and establishing an electronic distribution list. Auto Plan Letters are available on our Web site.

Please complete this form and submit it to the Plan by March 1, 2006.

If you have any questions regarding this form, please contact me at auto.plan@wcrb.org.
