

Plan Letter 737—October 13, 2011

2010 ANNUAL REPORT

This report covers the activities of the Wisconsin Automobile Insurance Plan for calendar year 2010. The Plan, through the Governing Committee, would like to express its appreciation for the support and cooperation from our membership in the performance of our responsibilities.

ORGANIZATION

The Wisconsin Automobile Insurance Plan was established on October 1, 1949 for the purpose of providing automobile insurance to risks unable to secure coverage in the voluntary market.

GOVERNING COMMITTEE

The following member insurance companies, elected in accordance with Plan rules, were serving on the Governing Committee as of December 31, 2010:

PROPERTY CASUALTY INSURERS ASSOCIATION OF AMERICA

American Family Mutual Insurance Company
Liberty Mutual Insurance Company

AMERICAN INSURANCE ASSOCIATION

Federated Mutual Insurance Company
Travelers Indemnity Company

NON-AFFILIATED INSURANCE COMPANIES

Sentry Insurance, A Mutual Company
State Farm Insurance Company

AT LARGE (SUBSCRIBING MEMBER) INSURANCE COMPANIES

Employers Mutual Casualty Company
General Casualty Company of WI

PLAN ACTIVITIES

A commercial rate review was conducted by AIPSO staff and presented a proposed 20.2% overall rate increase which was approved by the Governing Committee and the Office of the Commissioner of Insurance (OCI) effective January 1, 2010 for new business, and March 1, 2010 for renewal business.

The current private passenger rates have been in effect since April 1, 1995. While there has been virtually no activity in the assigned risk private passenger area, a review of the current rates was appropriate. Recommended changes of +16.7% for liability, -25.0% for physical damage, and an overall decrease of 1.7% were adopted for filing with the Office of the Commissioner Insurance.

The WAIP was deeply saddened to announce the sudden death of its Plan Manager, Ralph M. Herrmann. Ralph took on the job of Plan Manager of the WAIP in 2000, and guided the Auto Plan through a multitude of changes over the last 10 years. The Governing Committee announced that Bernard Rosauer has been appointed new Plan Manager effective August 6, 2010.

2009 Wisconsin Act 28 (formerly 2009 Assembly Bill 75) was signed into law by the former Governor, which mandated several changes in limits and coverage in Wisconsin. All changes were completed in 2010.

WAIP FINANCES—2010

Total Income received in 2010 amounted to \$140,000, which represents Dues and Assessment income received from AIPSO.

Total expenditures in 2010 were \$157,745, which represents a decrease of \$6,385, over the 2009 total expenditures of \$164,130.

Several expenses are shared operating expenses with the Wisconsin Compensation Rating Bureau. A Joint Finance Committee, made up of representatives from both organizations, meet periodically to allocate the percentage of shared expenses to be paid by each organization. Of the \$157,745 in total expenditures for 2010, \$127,902, (81%), represents the WAIP's portion of the expenses shared with the Wisconsin Compensation Rating Bureau.
