

PLAN LETTER 755—OCTOBER 1, 2013

2012 ANNUAL REPORT

This report covers the activities of the Wisconsin Automobile Insurance Plan for calendar year 2012. The Plan, through the Governing Committee, would like to express its appreciation for the support and cooperation from our membership in the performance of our responsibilities.

ORGANIZATION

The Wisconsin Automobile Insurance Plan was established on October 1, 1949 for the purpose of providing automobile insurance to risks unable to secure coverage in the voluntary market.

GOVERNING COMMITTEE

The following member insurance companies, elected in accordance with Plan rules, were serving on the Governing Committee as of December 31, 2012:

American Family Mutual Insurance Company

Employers Mutual Casualty Company

General Casualty Company of WI

Hanover Insurance Company

Liberty Mutual Insurance Company

State Farm Mutual Auto Insurance Company

Sentry Insurance, A Mutual Company

Travelers Indemnity Company

PLAN ACTIVITIES

A commercial rate review was conducted by AIPSO staff and presented a proposed 8.8% overall rate decrease which was approved by the Governing Committee and the Office of the Commissioner of Insurance (OCI) effective May 1, 2012 for new business and July 1, 2012 for renewal business.

The current private passenger rates were reviewed by the Governing Committee and the Committee agreed with the proposal by AIPSO. Recommendations were that no filing be made as the adjustments indicated a zero premium impact.

The Wisconsin Automobile Insurance Plan and The Wisconsin Compensation Rating Bureau participated in a required market conduct exam conducted by The Office of the Commissioner of Insurance in October of 2011. The WAIP has worked to clarify all additional questions that the examination staff has posed. The final report is not yet available.

At the WAIP's Annual Meeting, the Governing Committee voted and approved the new procedure that was announced to the membership regarding the election of committee members. Historically the committee was made up of two representatives from the three trade associations and 2 members from the At Large Group. At times it was difficult to get a balanced participation when Insurance companies switch associations. The new Governing Committee is made up of equal representation of stock and non-stock carriers.

The Current Servicing Carrier Agreement is being reviewed for changes that would be needed to align with a National Servicing Carrier(s). Recommendations have been proposed by both the WAIP and the National Selected Servicing Carrier.

WAIP FINANCES—2012

Total Income received in 2012 amounted to \$185,000, which represents Dues and Assessment income received from AIPSO.

Total expenditures in 2012 were \$160,789, which represents a decrease of \$11,264, over the 2011 total expenditures of \$172,053.

Several expenses are shared operating expenses with the Wisconsin Compensation Rating Bureau. A Joint Finance Committee, made up of representatives from both organizations, meet periodically to allocate the percentage of shared expenses to be paid by each organization. Of the \$160,789 in total expenditures for 2012, \$148,530 (92.3%) represents the WAIP's portion of the expenses shared with the Wisconsin Compensation Rating Bureau.
