

PLAN LETTER 770—OCTOBER 1, 2015

2014 ANNUAL REPORT

This report covers the activities of the Wisconsin Automobile Insurance Plan for calendar year 2014. The Plan, through the Governing Committee, would like to express its appreciation for the support and cooperation from our membership in the performance of our responsibilities.

ORGANIZATION

The Wisconsin Automobile Insurance Plan was established on October 1, 1949 for the purpose of providing automobile insurance to risks unable to secure coverage in the voluntary market.

GOVERNING COMMITTEE

The following member insurance companies, elected in accordance with Plan rules, were serving on the Governing Committee as of December 31, 2014:

American Family Mutual Insurance Company

Employers Mutual Casualty Company

General Casualty Company of WI

Hanover Insurance Company

Liberty Mutual Insurance Company

State Farm Mutual Auto Insurance Company

Sentry Insurance, A Mutual Company

Travelers Indemnity Company

PLAN ACTIVITIES

The Governing Committee reviewed a proposed 4.2% decrease in overall rates for commercial auto lines. By a majority vote, the Committee voted not to file the rate decrease.

The current private passenger rates were reviewed by the Governing Committee and the Committee approved an 8.6 % decrease in overall rate level effective 1/1/15 for new and renewal business

The Plan made several changes to the manual and forms to address the changes in the industry regarding Personal Vehicle Sharing Program, which address an individual using their personal auto as a public livery and Commercial Auto Coverage Parts Program, which address the changes countrywide in how truckers are covered with the elimination of the Truckers Coverage Form.

The Committee reaffirmed the December 2013 e-mail vote on changes to the WAIP Servicing Carrier Agreement. The Agreement has been signed by both the WAIP Plan Manager and the Servicing Carrier. National Continental Insurance abstained from voting.

WAIP FINANCES—2014

Total Income received in 2014 amounted to \$165,000, which represents Dues and Assessment income received from AIPSO.

Total expenditures in 2014 were \$168,883, which represents an increase of \$2,956, over the 2013 total expenditures of \$165,927.

Several expenses are shared operating expenses with the Wisconsin Compensation Rating Bureau. A Joint Finance Committee, made up of representatives from both organizations, meet periodically to allocate the percentage of shared expenses to be paid by each organization. Of the \$168,883 in total expenditures for 2014, \$157,056 (93%) represents the WAIP's portion of the expenses shared with the Wisconsin Compensation Rating Bureau.
